## APPLICATION FOR ENROLLMENT – INFANT PROGRAM

Family \_\_\_\_\_ Child's Expected Date of Birth \_\_\_\_\_

Entry into the Infant Program is staggered from September to December. The number of children and timing of enrollment depend on the ages of children expected to enroll. There are typically spots available for five babies in September, one in October, one in November and one in December.

Every effort will be made to accommodate enrollment at the preferred time. However, decisions about what spots are available for which families will be determined after all applications have been received or by April 30<sup>th</sup> preceding the new enrollment year, whichever is sooner. Preference will be given according to the date of birth of the child and in accordance with the priorities for admittance outlined in our Enrollment Criteria and Procedures.
